Strimbu Memorial Fund
31st Annual BBQ
May 5, 2021

Thanks to the generosity of our many donors, the Strimbu Memorial Fund is celebrating its 31st anniversary, and we would like to invite you to be a part of the celebration. Over the past 32 years, the Fund has contributed over $3.8 million in support of numerous projects in our area. In its continued efforts to promote economic development and other charitable endeavors, the Strimbu Memorial Fund encourages you to take this opportunity to present your merchandise or service to countless numbers of potential new customers at our annual event on May 5. Many thanks for supporting the Strimbu Memorial Fund for the past 31 years. Your continued support will enable us to *give a hand up* to vital programs and individuals in need within our communities in 2021.

Description for the program:

Item_____ Value_____

Item_____ Value_____

This information is critical to prepare the Signage and Auction program.
