Strimbu Memorial Fund
37th Annual BBQ
May 6, 2026

Thanks to the generosity of our many donors, the Strimbu Memorial Fund is celebrating its 37th anniversary, and we would like to invite you to be a part of this year's event. Over the past 37 years, the Fund has contributed over $5 million in support of countless projects in our area. As we continue our efforts to promote economic development and other charitable endeavors, we encourage you to take this opportunity to partner with us by presenting your merchandise or service to hundreds of potential new customers at our annual event on May 6th. Many thanks for supporting the Strimbu Memorial Fund for the past 37 years. Your ongoing support will enable us to "*give a hand up*" to essential programs and individuals in need within our communities in 2026.
